Subject: RE: SCANA

Dear Mr. Smiley,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: FW: SCANA
Importance: High

SCE&G's early (and probably illegal) cancellation of the Tax Exempt Bill Credit Agreement rate of \$0.22/kWh cost the Municipality of Walterboro approximately \$700,000 per year ten years and over a year in project study, finance sourcing, project partnering etc. The project like so many other problems was a casualty of the criminal mismanagement by SCANA. I ask that you vote against the sale of SCANA to Dominion who from the outset has demonstrated disregard for your commission and the SC Legislature by illegal lobbying, and advertising against the Governor's admonition to cease and desist. Dominion has demonstrated that if anything they will be more arrogant and self serving than SCANA. If the commission could not properly manage SCANA, what will happen to SC electric rate payers at the hands of a gorilla ten times the size of SCANA?

SCANA's Board of Directors, and shareholders had and have ultimate responsibility for the nuclear project meltdown and should be held financially, and perhaps criminally liable for the failure.

I look forward to your vote in support of SCANA rate payers.

Sincerely,

Malcolm Smiley
